

Table of Contents

00001 Preface

Probability and Statistics

01001 Probability and Statistics : introductory lectures
Imad Laktineh

Multivariate Discriminants

02001 Multivariate Discriminant
Harrison Prosper

02002 Neural Networks
Jerome Schwindling

02003 Decision Trees
Yann Coadou

02004 Multivariate Data Analysis with TMVA
Andreas Hoecker and Helge Voss

02005 RooFit
Wouter Verkerke

Application to physics analyses

03001 Combination of observables in Cosmology
Jean-Marc Virey
